

Proposal Email example:

Hello Carol,

It was lovely connecting with you this afternoon. Please find attached a proposal for a Flat Lay and a Styled Grazing Table. We are happy to adjust the quantity of guests to accommodate your budget.

We are looking forward to working with you on August 16. Let me know which table you prefer and I can send out a final invoice with our contract. We do request a deposit of 50% upon reserving that date.

Looking forward to hearing from you.

Best,
